## JUNIOR NATURALIST DESCRIPTION AND QUESTIONNAIRE

Junior Naturalists are exceptional campers, ages 12 – 15 years old, who participate in most camp activities and have the opportunity to gain life skills throughout the week. Junior Naturalists assist the staff and volunteers with activities, games and crafts, including set up and clean up. Junior Naturalists will also participate in separate activities throughout the week to build skills in leadership, teamwork, communication and perseverance. Junior Naturalists are expected to be positive, responsible, and encouraging role models to younger campers. They are expected to be helpful, flexible, and have a positive attitude when working alongside staff and volunteers.

have a positive attitude when working alongside staff and volunteers.
Junior Naturalist Cost: \$200/week
Please answer the following questions about being a Junior Naturalist at Summer Day Camp with The Nature Reserve.
Short Answer Questions:
